CITIZEN'S GUIDE TO MACOUPIN COUNTY GOVERNMENT

MACOUPIN COUNTY GOVERNMENT SUMMARY

Macoupin County is organized under the township form of County government. The County Board Chairman is elected by the Board members every two years at the reorganizational meeting. The Chairman is the chief executive officer of County Government and is responsible for overseeing the daily operations of County departments and coordinating management with other Countywide Officeholders. The Board Chairman appoints with the consent of the full Board the department heads who manage those County offices not under the control of a Countywide Officeholder and coordinates the overall operation of the various offices and departments.

The Macoupin County governing body is the County Board. Its primary function is to establish the various budgets of the county funds and to levy taxes for county purposes. Also, the County Board adopts ordinances and rules pertaining to the management and business of the county departments. In 1996, voters approved a tax cap for Macoupin County, limiting yearly increases in local government collections to 5 percent or the rate of inflation, whichever is less.

Macoupin County is comprised of 9 County Board districts. Two County Board members are elected from each district for a four-year term. Half of the Board is elected every two years. There are seven countywide elected offices:

Circuit Clerk
Coroner
County Clerk & Recorder
Regional Superintendent of Schools
Sheriff
State's Attorney
Treasurer

In addition, Circuit Judges are elected to serve Macoupin County.

Macoupin County Government is comprised of 22 departments at different geographical locations throughout the county. In 2014 there are more than 250 employees with the County having an annual budget of \$ 28,109,512.06.

Illinois counties, with the exception of Cook County, have a local appeal body known as the Board of Review. Complaints on assessments must be filed in writing with the Board of Review in the county in which the property is located. The Board of Review publishes rules regarding appeals. Check with the Board of Review office for the rules in your county.

The Board of Review office will supply you with a complaint form. The Board of Review will review your written complaint, and notify you of their tentative decision. You may request a hearing after you have received your written decision. You may represent yourself or have an attorney represent you.

It is important to remember that you are appealing the assessment of your property upon which the actual bill will be based. The Board of Review does not have the authority to change a tax bill.
