I. CALL TO ORDER

PRESENT: Armour, Starr, Lewis, Reiher, Schmidt, Vojas (Remote), Duncan

ABSENT: Rull

II. AGENDA ITEMS

1. Poggenpol Potential Land Purchase

Armour explained that Poggenpol had requested to purchase an additional acreage at the Business Park in Carlinville. This would be just over 2 acres, currently part of the farm lease. The committee's move tonight would be recommending to the full Board getting an appraisal of the land, as a requirement for the sale of any county property would be getting 80% of the appraisal price.

Motion by Schmidt, seconded by Lewis to recommend getting the appraisal/

2. Wind Ordinance

Armour also said he wanted the committee to meet next month for the purpose of recommending a wind ordinance for the county. The company pursuing the wind turbines in the area has been working with the farm bureau to come up with an ordinance they would both find agreeable and they believed that would be done soon.
